NOTE: N	M.P.E.P. § 203.08 Status Inquiries, & follows:	8th Edition, cautions as to the submission of status inquiries as
	"NEW APPLICATION	
	of Form PTOL-37 in every case of a in addition to a formal Notice of Allow the need for status inquiries even a or her new application may have t	provide for the routine mailing from the Technology Centers (TCs) allowance of an application. Thus, the mailing of a form PTOL-37 wance (PTOL-85) in all allowed applications would seem to obviate as a precautionary measure where the applicant may believe his been passed to issue on the first examination. However, as an appropriate where a Notice of Allowance is not received within PTOL-37.
	dockets of each art unit and TC wit of the "oldest new applications" ap	aim to minimize the spread in dates among the various examiner h respect to actions on new applications. Accordingly, the dates pearing in the Official Gazette are fairly reliable guides as to the examiners reach the applications or action.
	"Therefore, it should be rarely nece	essary to query the status of a new application.
u	'AMENDED APPLICATIONS	
	two months of the date the examir in order after reply by the attorney un A postcard receipt for replies to Offic will be considered prima facie proof filing of a reply, the submission of a the need for a petition to revive. Pr	of to be taken up by the examiner and an action completed within the receives the application. Accordingly, a status inquiry is not entil 5 or 6 months have elapsed with no response from the Office. The actions, adequately and specifically identifying the papers filed, of receipt of such papers. Where such proof indicates the timely stopy of the postcard with a copy of the reply will ordinarily obviate toof of receipt of a timely reply to a final action will obviate the the reply was in compliance with 37 CFR 1.113."
